

TUITION SUPPORT OPPORTUNITIES FOR GRADUATE STUDY

WHAT:

Tuition support for 7 course graduate sequence in low incidence disabilities.

Tuition support for 6 course graduate sequence in high incidence disabilities.

WHO:

The low incidence program is appropriate for special educators and related services personnel who work with students with low incidence disabilities on a regular basis.

The high incidence program is appropriate for general and special educators who support students with disabilities in regular class settings. Teams of general and special educators from the same school are encouraged to apply to take the courses together.

HOW:

For application materials and/or more information, contact: Gail McGregor, (406) 243-2348 or mcgregor@ruralinstitute.umt.edu

or
